

PRESS RELEASE

More than 6,000 Items in Stock

FAWO – Systematic Automotive Technology : 10 Product Groups

FAWO is a certified system vendor and sales partner of numerous renowned suppliers specialized in the production of technical interior equipment for caravans, campers, commercial sales vehicles, and omnibuses that do not maintain a sales force of their own. With a constant ear to the market, new products and system solutions are continually being developed on the basis of close collaboration with customers and manufactures and their requirements, suggestions and ideas.

More than 6,000 different items are stocked in the state-of-the-art high-bay storage center at FAWO in Nieder-Olm ready for dispatch. The current product range of the company is divided into 10 product groups:
